

Employees whose job duties place them at risk of exposure to human blood or other potentially infectious human derived materials are offered the Hepatitis B vaccination free of charge.

Previously vaccinated individuals do not need to repeat the series unless there is a high-

# Hepatitis B Vaccination Declination Form

**INSTRUCTIONS:** Every employee covered by the OSHA Bloodborne Pathogens Standard must complete

WCU Safety & Rdeclination form and submit it to the Safety and  
ement Office

and understand the HEPATITIS B INFORMATION SHEET, which describes the clinical course of  
he vaccination and its most frequent risks and hazards. I have discussed anti
