TA to Teacher Frequently Asked Questions

Q: I want to transfer into a teacher education program at WCU. How do I get started?

A: The best place to start getting your questions answered about becoming a teacher is the **Suite 100 Student Success Center**. We have professional advisors on staff who can answer questions about everything from the admissions process to program requirements to licensure. We can evaluate

of - education Sh - requirements degree seeking teacher candidates to s

complete the Praxis Core Academic Skills for - teachers Tests, referred to as Praxis Core, which measure critical thinking and academic skills in reading, writing, and mathematics. The tests were designed to be comprehensive assessments that measure the skills and content knowledge of candidates for licensure. For more information or students at edtestprep.wcu.edu We highly

recommend taking advantage of these opportunities along with our Praxis Core Math workshop series

Q: How long will it take me to finish a bachelor's degree program?

A: Time to degree depends on the program, transfer coursework articulation, and how many courses you are able to take each semester. Our **Suite 100 advisor** will help you put together a graduation plan and will evaluate it with you each semester to be sure you stay on track. Our advisor will also be able to let you know how the coursework from your associate's degree will apply to this degree.
