

# UNIVERSITY SPONSORED ABSENCE

The activity or event must be approved at least two (2) weeks prior to the requested absence. This form must be completed by the University Official requesting the student's absence. Each student is required to present a copy of this form to each instructor at least one (1) class period prior to the absence. Every attempt is made to keep University sponsored absences to a minimum. Each student has been instructed that the requested absence does not excuse him or her from turning in assignments or making up work and tests that are missed.
