

Classes are held at WCU's Main Campus in Cullowhee and at WCU's Biltmore Park Instructional Site in south Asheville. Most classes are face-to-face with full time WCU Department of Social Work faculty; some classes are taught online, in a hybrid online/face-to-face format, or in both locations simultaneously using synchronous streaming technology. Adjunct faculty teach electives related to their field of full-time practice.

Students enrolled in the Biltmore Park cohort should enroll in **core/required courses** with a suffix of -80, -81, -82. Students enrolled in the Cullowhee cohort should enroll in **core/required courses** with a suffix of -01, -70, -71, -72. Unless otherwise specified, students may enroll in **elective courses** at any campus/instructional site. Students enrolled in the traditional MSW program are required to complete three electives; however, if students are participating in any certificate program, please contact the certificate coordinator to ensure all requirements are met (certificate program information is located here: <https://www.wcu.edu/learn/departments-schools-colleges/HHS/socw/msw.aspx>)

* * When students are admitted to the MSW part-time program, they enter a 4-year program. Part-time students who are interested in pursuing their specialization year field placement and take classes concurrently may be able to finish the regular MSW program in three years. Students who want to petition to change their full or part-time status after beginning the program **MUST** submit a written request to the MSW program director, who will consider the request after consultation with the faculty. Students will not be allowed to switch back and forth between the full and part-time programs. Only one "change-in-status" petition will be considered during a student's enrollment in the MSW program.
