VI. Summary of Recommendations (provide numbered recommendations, along with rationale for each)

Review teams are encouraged to address issues that arise during the review that fall outside of this suggested template.

Each external reviewer will receive a \$1200 stipend for their work. Each internal reviewer will receive a \$750 stipend. If an employee's particular job classification doesn't allow for stipend payments, that \$750 will be available to fund professional development activities. The stipend will be submitted for payment following receipt of the External Review Report, which is due no later than 30 days following the campus visit.

Select any one of the University of North Carolina System institutions to view institutional and student characteristics, impact and operational data. There are 8 sections within the factsheets, providing summary data pertaining to: • Institutional Characteristics • Admissions • Enrollment • Student Success • Faculty and Staff • Revenues and Expenditures • Undergraduate Tuition and Financial Aid • Impact and Engagement Note: Fact sheets are updated twice annually, once in the fall after the fall census data has been finalized (typically in November) and once in the spring after the IPEDS finance data has been finalized (typically in April). The title of the factsheet is driven by the fall term (e.g., 2021 Fact Sheet is first published in November of 2021 with some remaining 2020 data and updated in April 2022. 2022 Fact Sheet is published in November of 2022).
