How to Change the Principal Investigator

The individual who creates the application in InfoEd is automatically added to the protocol as the Principal Investigator.

A popup will appear. Type the name of the person you wish to add to the research terestruble person from the dropdown list. Then click 'Select' in the top rightness.

The newly added research team member will appear below the creator of the application.

Check the box that says "Principal Investigator" under the name of the person that was added. This removes check mark in the PI box from the original dogra
